House Committee on State Affairs (C450)

Reference: HB315 (relating to the purchase of a uniform by certain honorably retired peace officers)

Dear Committee members on State Affairs,

My name is Scott Lee, the current County Judge in Franklin County, Texas and retired Texas DPS Trooper for over 26 years of service. I contacted my State Representative, Gary Van Deaver back in the fall of 2020 about allowing honorably retired State Peace officers to purchase a uniform for burial when we pass away.

I am very proud of the 26 years of service with the Texas Department of Public Safety in which was my chosen profession. I, and numerous others, would be extremely honored that this bill that Representative Van Deaver sponsored to be passed.

I love the State of Texas and loved being a member of the greatest Law Enforcement Agency in the world!

God bless each and everyone of you and God Bless Texas,

Scott Lee  
Franklin County Judge
